Dear Mr. Getzen:

We are enclosing herewith a petition for legislation to restore Dade City, Florida, to its former councilmanic form of government, and to restrict the city limits to exclude such property as lies in outlying districts and is without city benefits and, therefore, cannot be held subject to city taxes.

You will note that this petition is signed by many of the leading citizens and heaviest taxpayers of the city. We are firmly convinced that the best interests of the city will be served through the passage of the local law asked for by this petition, and we trust that you will give the matter your early attention and careful consideration.

Yours very truly,

THE DADE CITY BANNER,
T. S. THOMAS,
J. Y. O'NEAL,
A. F. PRICE.

Honorable Samuel W. Getzen,

We, the undersigned citizens and voters of Dade City, Florida, do hereby respectfully request that the charter of Dade City be amended or that a new charter be enacted restoring the City to the councilmanic form of government under which it operated prior to 1929, and contracting the territorial limits of the City by excluding therefrom lands on the East, North, West and South sides thereof that are not in any way benefited by being included in the corporate limits.

May 31, 1933

Hon. T. G. Futch,
President of the Senate,
Tallahassee, Florida.

Sir:

Pursuant to the authority vested in me as Governor, under the provisions of Section 28 of Article III of the Constitution of Florida, I transmit to you with my objections thereto Senate Bill No. 701, the same having originated in the Senate, Regular Session of 1933, and being entitled as follows:

"An Act to abolish, cancel, and set aside any and all Acts in the creation or attempted creation of the Big Prairie Drainage District of Sumter County, Florida, and to repeal any and

all Acts or Laws governing the same; to prohibit the issuance of any bond or bonds or any indebtedness against any lands in said area."

I am withholding my approval of this bill for the following reasons:

This Act attempts to abolish a drainage district and invalidate the issuance by that district of \$40,000 of certificates of indebtedness which are outstanding. No provision is made in the Act to take care of this indebtedness, and if the legality of the certificates of indebtedness is questioned the matter should be determined by the Courts.

Very respectfully,

DAVE SHOLTZ,

(b) It shall be the duty of the Legislature at its next regular session after the amendment shall have been ratified to pass suitable laws to carry this amendment into effect, and to make effective the re-apportionment and reduction of judicial circuits and Circuit Judges hereby contemplated.

Circuit Judges shall be appointed by the Governor and confirmed by the Senate. The Judges of each Circuit shall elect one of their number to act as Presiding Judge, who shall have the duty and power to assign the various Judges to sit in the several counties of the Circuit at such times and in such manner as to render the most prompt and efficient judicial service, having regard for the volume of litigation in the several counties. A State Attorney may exercise his functions in more than one County, if so provided by law. Duties and compensation of State Attorneys shall be fixed by the Legislature. Assistant State Attorneys, when necessary, may be authorized by the Legislature and be appointed temporarily by the Governor, but their terms of office shall not extend beyond the next ensuing session of the Legislature. Where one State Attorney is provided hereunder in any one county, he shall combine the duties of State Attorney and County Solicitor, and the latter office shall be considered abolished.

(c) Provided, however, that no Judicial Circuit existing at the time of the ratification of this amendment shall be affected, altered or abolished, except in the manner provided by this amendment for carrying the same into execution, nor shall any existing Circuit Judge or State Attorney be disturbed in the tenure of his office until the expiration of the Commission held by him on the date this amendment is ratified.

(d) It shall be the duty of the Legislature at the next regular or special session after this amendment shall have been ratified to pass suitable laws to carry the provisions hereof into effect.
